

WORKSHOPS CONDUCTED BY ASTROSATVA

1. DEDICATED WORKSHOPS FOR ACTIVE ASSOCIATE MEMBERS:

AstroSatva regularly conducts multiple practical workshops specially for Associate Members. These workshops help the members in establishing themselves professionally in the field of astrology.

Key Highlights of Dedicated Associate Member's Workshops:

➤ **Pre decided Agendas communicated to the associate members:**

The agenda, date and timings of the upcoming workshops will be communicated to the associate members. Associate members shall register for the workshop on the link provided by AstroSatva.

➤ **Duration and Fees for the Workshops:**

The workshops specially designed for the "**Active Associate Members**" are exhaustive workshops and are conducted for approximate duration of 4-5 days, which may be extended to a week's time depending on the respective agendas.

Fees of these workshops varies depending on the topics and agendas to be discussed which shall be communicated at the time of registration for the workshops.

➤ **Recording of the Workshop:**

Recording of the workshops will be available for the associate members for future reference.

Agendas of Dedicated Associate Member's Workshops:

Following are some of the Workshops which are conducted by AstroSatva specially for the Active Associate members:

a) How to Set-up Your Own Astrology Consultancy Office:

The members will be given a detailed explanation on the step-by-step process of setting up their own Astrology Consultancy office. The ways of overcoming challenges faced in the initial phase of establishing as a professional astrologer will be shared with the members.

b) How to Enhance Consultation Skills:

An astrologer must possess good consultation and convincing skills while analysing charts of the clients. AstroSatva enables the active associate members to enhance these skills by way of dedicated workshops which cover this important area.

c) How to Make the Analysis report and give remedies suggestion

Apart from consultation, as an astrologer one may need to prepare a detailed analysis report for the client. The life analysis report is an example which can be offered as a service to the clients.

These workshops are specially designed to train the members and build impressive report writing skills. What should be the **structure and Content of report, format of the report, do's and don'ts while preparing such report**, etc are some of the key points the members will learn by way of these workshops.

d) How to Build Social Media Presence

To grow in today's era, one must have social media presence. Not only such presence is required, but it must be influential as well. The tips and tricks regarding same are covered in a dedicated workshop which enables active associate members to start and pursue their journey as a professional astrologer.

e) Astro-Networking Workshop

Networking is what you need to grow in any business. Building relationships with persons working in the related field really helps one to expand their business and to get new clients. Astro-Networking workshop helps build good networking skills and grow further in the field of astrology.

f) Techno-Astro Workshop

Technology when combined with astrology gives really quick and accurate results. The associate members who have already mastered the skills of astrology can join these workshops to enhance their technical skills and learn to apply the Techno-Astro combination to further improve their predictions.

2. PRACTICAL STUDENT WORKSHOPS:

Practical Student workshops are conducted with a view to enable extensive case study practice and sharing detailed knowledge on the decided workshop agendas. These workshops help build up the confidence of students before they appear for the Course Assignments and obtain "Certificate of Excellence" from AstroSatva.

Key Highlights of the Practical Student Workshops:

- **Pre decided Agendas communicated to the student members:**
The agenda, date and timings of the upcoming workshops will be communicated to the student members. Student members shall register for the workshop on the link provided by AstroSatva.
- **Duration and Fees for the Workshops:**
The workshops will be conducted for a time duration of 2-3 hours at a nominal fee. Payment is required to be made at the time of registration for the workshops.
- **Opportunity to Share knowledge by Student Members:**
The student members will be given an opportunity to share their knowledge on the agenda of workshops. The stage will be open for any member present in the workshop.
- **Discussion on Charts put up by the Student Members:**
Student members are free to present any chart related to the workshop agenda. Detailed discussion on the charts presented by students will be done. The discussion will be open for all the members attending the workshop.
- **Recording of the Workshop:**
Recording of the workshops will be available for the student members for future reference.
